

Little Tennessee River Valley Ride- A great ride, short but fun and no traffic. Locals describe this as the most beautiful and fun short ride in Rabun County. The valley is beautiful, the terrain is not very hilly, and the road is a winding, twisting roller coaster. This ride is about 18 miles long, lots of fun.

- Bobby Rone

- Start at Rabun-Gap Nacoochee School on US441 in Dillard. From the school, head out Canbrake Lane or one of the school's streets heading north and turn left onto Wolffork Rd.
- Wolffork Rd makes a big circle through the river valley and is fairly flat, fast and scenic.
- Just follow Wolffork Rd all the way around until it comes back to US441 (about 9 miles) just south of Rabun Gap School.
- Cross over US441 and onto Yorkhouse Rd. Keep going and take a right onto Kellys Creek Rd at a stop sign. It will dead end into Ga246 (the road to Highlands).
- Turn left on Ga246.
- Turn left onto US441 in downtown Dillard.
- After a half mile, turn left onto Franklin Street. This road goes behind the Dillard House. It runs back into the stop sign at Kelly's Creek Rd. Take a right and cross US441 onto School
- Farm Rd and go back to the where you started from.
